

Welcome to SmartAlyx

SmartAlyx provides computer and technology support services for the home user and small business client.

Over ten years of experience enables us to help you get the most out of your computer and related technologies- both personal and professional.

What makes our support better? We offer a flexible schedule for all our clients- our hours work around yours.. You need an appointment at 6:30 on a Wednesday night so work can get done after hours or some help installing the latest video card, Saturday morning- we will be there.

Follow the links to the left for more information on our support options for the home user and business.

SmartAlyx provides on-site assistance, phone support and quick easy remote support.

For more information, please contact us email info_at_smartalyx.com or call us at 925-452-7678

We look forward to working with you.
